### Nature and Scope of Our Advice

Our advisers are skilled in providing guidance on a variety of insurance products—commercial, domestic, and personal, often grouped as General Insurance. We're here to help you protect your income, assets, and liabilities, reducing the financial impact if the unexpected happens.

We focus solely on General Insurance and do not offer advice on Life and Health Insurance, Investments, Kiwisaver, Medical Insurance, or Mortgages. However, if you need advice on these products, we're happy to connect you with a trusted specialist.

Currently, there are no limitations on our advice scope. Should any arise, we will inform you transparently.

Folio is affiliated with Steadfast NZ Limited (Steadfast), which supports us in delivering high-quality advice through purchasing advantages and enhanced service support.

Our financial advice spans a variety of products from New Zealand-based and international providers. Here are some key offerings:

- Property and Contents Insurance

## Fees, Expenses, or Other Costs

We earn through a combination of fees and commissions. Fees are based on the time and complexity involved in setting up your policy, and any adjustments or cancellations during the policy term may incur a fee as outlined on your invoice. Folio retains a portion of these fees for professional support to Time Insurance Ltd. Any additional charges, like credit card fees, will be disclosed in our recommendations.

## Conflicts of Interest and Incentives

We may receive a commission from providers based on your premium. If your policy is cancelled, this commission may be retained. Any referral fees we pay to partners are based on commission arrangements. If a conflict of interest arises, we will promptly disclose it and prioritise your interests.

Our advisers are dedicated to acting in your best interests, supported by a conflicts and gifts register to maintain transparency.

## Premium Funding

To make payments easier, we offer premium funding, allowing you to pay in instalments. Please note, premium funders charge interest and can cancel policies for non-payment. In these arrangements, the funding company may pay us a commission on the amount funded, with Folio retaining a portion.

## Complaints Handling & Dispute Resolution

If you have feedback or concerns, first please discuss this with your adviser. Additionally, please refer to <https://www.folio.insure/complaints> for our full Complaints and Disputes process. We're here to resolve issues efficiently and transparently.
